Dear Ms. Dortch:

Pursuant to section 64.2009(e) of the Commission's rules⁷ and the Commission's *Public Notice*, DA 08-171, dated January 29, 2008 in the above-captioned matter, X5 SLC, LLC hereby submits its late-filed 2007 and 2008 compliance certificate and a statement explaining how the Company's operating procedures ensure compliance with the referenced regulations.

By the attached Certificate and my signature below, I hereby certify to the Commission X5 SLC, LLC has established, and strictly follows, policies and operating procedures to fully comply with section 64.2009 of the Commission's rules governing Customer Proprietary Network Information ("CPNI").

X5 SLC, LLC has established policies, which expressly prohibit release of CPNI to any employee not directly involved in the provision of service to the customer, subject to disciplinary action and termination of employment. Each employee receives an initial CPNI protection briefing and annual CPNI protection requirement reviews thereafter. All employees are strictly held to non-disclosure obligations.

CPNI data is accessible only to those employees with a "need to know" for purposes of serving current subscribers. The Company does not sell, or otherwise release, CPNI to other entities under any circumstances. All contact with customers is documented through retention of electronic copies of communications and retention of any scripts used if contacting subscribers telephonically, for a minimum period of one year. All sales or marketing campaigns initiated by the Company require my approval; I am responsible for ensuring that each campaign strictly complies with the Commission's CPNI regulations.

Questions regarding this matter may be directed to me.

Sincerely,

X5 SLC, LLC
